HORIZON PLUS straight & simple

The Platinum Horizon straight stairlift is designed for ease-of-use and fast, hassle-free installation. A Horizon stairlift will make difficult staircases accessible again and grant you the freedom of your house once more.

The compact design and floor-mounted straight rail ensure the Horizon takes up as little space as possible and does not impact upon your home's decor.

For straight staircases, there is no better option than the Platinum Horizon. Ask your local stairlift dealer about a Platinum Horizon demonstration today.
